

Municipal WiFi:

The goal of TheNet's Municipal WiFi is to provide city wide WiFi-coverage and enable access to our wlan@thenet services in broad parts of cities.

New in 2007:

- Grächen Alpine HotSpot

Roaming Partners:

Users of wlan@thenet Netzone cards can surf on our partner-networks to same conditions as on our wlan@thenet network.

2007 TheNet established new partnerships with following institutions:

- Pädagogische Hochschule Zürich
- Universität Zürich
