

**Municipal WiFi:**

The goal of TheNet's Municipal WiFi is to provide city wide WiFi-coverage and enable access to our wlan@thenet services in broad parts of cities.

Upgrades in 2010:

- Anzère Alpine HotSpot
- Grächen Alpine HotSpot

**New Partner-Networks:**

Users of wlan@thenet Netzone cards can surf on our partner-networks to same conditions as on our wlan@thenet network.

2010 TheNet established new partnerships with following institutions:

- Haute Ecole Spécialisée de Suisse occidentale / Fachhochschule Westschweiz (HES-SO // Fribourg)
- Inselspital Bern
